

Directions to Tassia

From Nairobi.

- Head from Nairobi to Nanyuki on the A2, and stay on the A2 until you reach Isiolo.
- From Agnex supermarket, go down to Hass Petro station, turn left on the cabros, continue straight upon passing the small dry river, take the left fork, and continue straight to the end of the cabros.
- Keep left past the KWS signpost and continue straight on the Murram Road. Go past KMC on your left and a big brick wall on your right.
- Continue straight. Go past the Leparua Conservancy sign post and proceed to the Il'ngwesi sign post and the Isiolo County sign post.
- Take a left and continue with the road to a small Il'ngwesi signpost written on a stone.
- Take a right go past the big concrete tank on your right and water borehole solar panels on your left, continue for around 200 meters and take the first right turn.
- Continue straight on the small rocks road in the middle of little shrubs, keep straight to a place with a few abandoned manyatta currently used like a marketplace on market day.
- Take left at the manyatta-like house and continue straight to the big sand river which separates community and conservancy.
- Follow the route on the sand river for 2 min and now you are in the conservancy area.
- Follow the road until you cross another sandy river.
- Upon crossing the sand river, drive for around 2 mins and you will get to the airstrip. Go up the airstrip, and just before you get to the other end of the airstrip you will take a road on your left that takes you directly to the lodge.
